We still need some things for the Administrator's book. Forward to others as needed and thanks for your help.

List below - we need one pagers on these asap, but definitely before noon tomorrow...

Let us know if questions.

- \* diesel guidance
- \* the fracking materials have references to answers that are draft parts of harris response and may change - we need to run that down and remove those references
- \* green book (need more)
- \* harris data request and response (OAR)
- \* we need to pull high profile letters and responses to this committee and members (each team should pull)
- \* regional fracking issues - need fact sheets for dimock, pavillion and range resources
- \* SAB
